

Hydrogeologist/Environmental Engineer

Department: Hydrology and Geosciences

Location: Louisville, CO

Integral Consulting Inc. is a national environmental and engineering consulting firm providing multidisciplinary services in the fields of environmental science and engineering, health, ecology, aquatic sciences, geology and hydrology, and environmental chemistry. We are currently seeking a **Hydrogeologist, Hydrologist, Geologist, or Environmental Engineer** for our **Louisville, CO**, office.

This position requires a Bachelor's or Master's degree in Geology, Hydrogeology, Civil or Environmental Engineering, or related scientific/engineering field with 0 to 3 years of experience.

Responsibilities of this position include performing technical tasks supporting fate and transport evaluations, remedial investigations and feasibility studies under CERCLA, RCRA, NEPA, and state equivalent programs, and surface and groundwater resource evaluations. Typical tasks will include analysis, visualization, and interpretation of geospatial and time-series data; contribution to field programs (including occasional field work), data analysis and numerical modeling tasks; and report preparation. Additional skills include the ability to work independently and as a team member with scientists and engineers. The ideal candidate will have a solid understanding of water and chemical transport in soil, groundwater, surface water and sediment. Proficiency with current MS Office products (Word, Excel, and PowerPoint) is preferred. Capability with environmental modeling software, programming/scripting (e.g., Matlab, R, Python) and/or GIS software is a plus. The successful candidate will possess strong organizational abilities, ability to work within a multidisciplinary team, excellent written and oral communication skills, and a desire to learn and grow both intellectually and professionally.

Competitive salary is commensurate with experience. Integral provides an exceptional benefits package with company-subsidized insurance, and an exciting work environment with opportunities for significant professional growth.
