

# First Steps- All Parties Worksheet #1

## Farm Transfer Planning

FBFS 055-A (Eng.)– 3/22

Mark Cannella, Extension Associate Professor

### **Introduction:**

*The transfer of farm management decision-making and businesses assets requires thoughtful consideration for all of the parties involved. Before anyone begins to make decisions it is very important for everyone involved to share their vision and values about what is important to them.*

**Directions:** *Current owners, future owners and related family members can all answer these questions below. All parties can share their answers with each other a first step to begin communication about the process.*

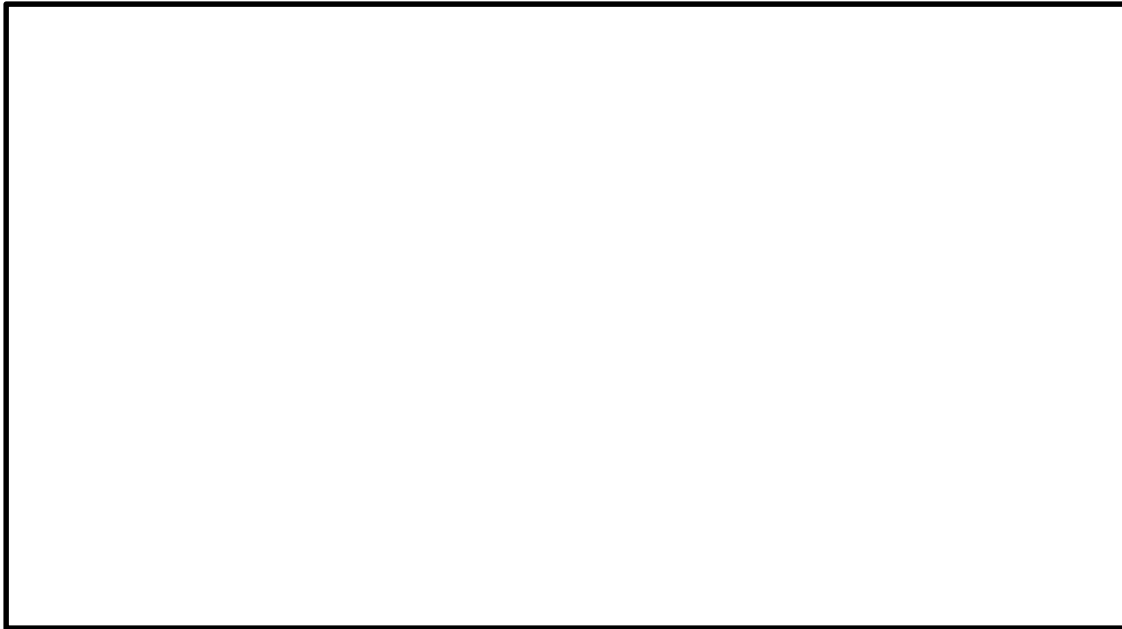

1. What is most important to you about the farm today ?

2. What is important to you about the legacy of this farm into the future, more than 10 years from now?

### **CULTIVATING HEALTHY COMMUNITIES: COLLEGE OF AGRICULTURE AND LIFE SCIENCES**

Issued in furtherance of Cooperative Extension work, Acts of May 8 and June 30, 1914, in cooperation with the United States Department of Agriculture. University of Vermont Extension, Burlington, Vermont. University of Vermont Extension, and U.S. Department of Agriculture, cooperating, offer education and employment to everyone without regard to race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or familial status. Any reference to commercial products, trade names, or brand names is for information only, and no endorsement or approval is intended.

3. How will your participation in the farm change in the next 5 – 10 years?

4. Who do you think should be involved in the process of family planning and farm planning related to the future of this farm and property?
