

## Supplemental Instruction Leader Training

April 29, 2012

### **Before April 29:**

You will be required to observe SI Sessions with TWO current leaders. The SI schedule is available [on the Learning Co-op Website](#). New SI Leaders, please complete the "New Leader Observation Record" and current leaders please use the "Peer Review Observation Record" form. Both are also attached.

Also, I'd like for you new folks to have some experience "leading" an SI Session and a chance to gain some wisdom from our veterans. Please prepare a five-ten minute lesson or activity to share with the group as a mock SI session. We will give you all time to present and to hear feedback from your peers. This may be an academic lesson, or not. We had someone teach us to make omelets last year.

### **April 29:**

Spring Training Session from 6:00-8:00 pm. Location TBA. Please let me know ASAP if you are unable to attend.
