23 Pond Lane, Ste. 300
Middlebury, VT 05753

319 SUNSET LANE * ADDISON VT (JUST OFF RT. 17)

The Champlain Valley Crop, Soils, and Pasture Team, will lead a hands on discussion of proper corn planter set-up and maintenance. No-Till modifications will be highlighted, including retrofits for older planters. Examples of no-till planter modifications including closing wheels, row cleaners, additional down pressure, and fertilizer application options will be discussed in depth. A Kinze planter set up for no-till will be on site to talk about the add-ons and what is really necessary to plant no-till.

For more information and to RSVP, contact:
Rico Balzano—(802)-773-3349 ext 281
or **rico.balzano@uvm.edu**

A special thank you to:
Gosluga Family Farm
