

NO-TILL ROLLER CRIMPING: INNOVATION IN ACTION

AUGUST 23, 2017 12:30–3:00 PM
Bonaspecta Holsteins 1133 Jersey St South, Addison

**TWO (2)
 Water Quality Training Credits
 for farmers!!**

A #CleanWaterWeekVT Event!!

Join the UVM Extension Champlain Valley Crop, Soil and Pasture Team and the Champlain Valley Farmer Coalition for a field day at Bonaspecta Holsteins Farm to see innovative agricultural practices designed to reduce erosion and protect water quality. Come learn more about:

- Using a Roller-Crimper to flatten and terminate Winter Cover Crops
- No-till corn tips and troubleshooting problems
- Cover Crop mixes and how to decide on species and seeding rates
- Water quality monitoring in the McKenzie Brook Watershed: methods and data to quantify water quality in an agricultural watershed
