

DISASTER ASSISTANCE FOR 2012 FRUIT CROP LOSSES ANNOUNCED

Enrollment Began July 22

Producers who experienced losses to bush or tree fruit crops due to frost, freeze or other weather-related conditions during the 2012 crop year may be eligible for assistance through the Noninsured Crop Disaster Assistance Program (NAP). The program, authorized by the 2014 Farm Bill, provides supplemental NAP payments to eligible producers.

Farmers who did not have access to crop insurance and are in primary and adjacent counties that received a Secretarial disaster designation because of frost or freeze in 2012 are eligible for NAP assistance. Losses due to weather damage or other adverse natural occurrences may also qualify for program assistance.

Vermont counties eligible for 2012 NAP fruit crop assistance are Addison, Bennington and Rutland Counties.

NAP enrollment begins July 22, 2014. Applications must be submitted to FSA county offices by Sept. 22, 2014.

To expedite applications, producers who experienced losses are encouraged to collect records documenting these losses in preparation for sign-up. Producers also are encouraged to contact their FSA county office to schedule an appointment. Limited resource, socially disadvantaged, and beginning producers are eligible for premium reductions and also may be eligible for fee reductions.
