

Maple Business and Forestry Webinar Series

July – October 2021

University of Vermont maple specialists will host a series of online webinars focused on business decision making and forestry practices. Learn about the best practices to integrate business management and sugarbush management for a thriving maple enterprise that targets profits and forest health. Topics will include: tapping red maples, financial benchmarks, start-up investments, legal issues, taxes, sap-only enterprises and forestry.

Presenters will include: Abby van den Berg (Research Associate Professor), Tony D'Amato (Director UVM Forestry), Mark Isselhardt (Maple Specialist), Mark Cannella (Extension Associate Professor) and Chris Lindgren (Forest Business Coordinator).

Visit the [Upcoming Events](#) page at Maplemanager.org to complete your registration.

These online sessions are offered free of charge. Pre-registration is required for each individual session. To ensure enrollment and access to any advance materials your registration must be completed at least 48 hours before the scheduled session.
