Walpole Mountain View Winery at Barnett Hill Vineyard, a recipient of the 2012 NH Farm of Distinction Award, is the scenic home of 32 (!) varieties of cold-hardy grapes.

Please join Barnett Hill Vineyard owner Virginia Carter, along with UNH Extension Specialists, in an educational tour of the vineyard and wine production room & equipment.

We'll discuss and answer questions about the basics of growing grapes in NH, including common pests, variety selection and managing vines.

This event will take place rain or shine.
