Schedule Your Appointment Now at [www.regonline.com/summerclinics2016](http://www.regonline.com/summerclinics2016) !

UVM Extension farm business educators (Mark Cannella, Mike Dolce, Tony Kitsos and Betsy Miller) are available to work one-on-one with farmers on their finances. Bring your financial statements, recent records and questions for this 1 ½ hour scheduled private meeting. This might include internal accounting statements, the IRS Schedule F and files on a portable farm computer. Use the time to prepare the statements that will help manage the business. In this session you can expect to develop an accurate balance sheet or a budget for the farm. The session can also be used to review a written business plan or feasibility plan.
